

Pauline Larrouy-Maestri

Senior Researcher (tenured)
Max-Planck Institute for Empirical Aesthetics, Frankfurt (Germany)

Phone +49 176 25 28 01 48
E-mail plm@ae.mpg.de
Nationality French / Belgian
Languages French (native), English (fluent), German (advanced)

EDUCATION

- 2009 – 2013: Ph.D in psychology** (section: speech therapy) at the University of Liège (Belgium)
- 2007 – 2009: Master in speech therapy** at the University of Brussels, Highest distinction, ULB (Belgium)
- 2005 – 2007: Bachelor in speech therapy** at the University of Brussels, ULB (Belgium)
- 2006 – 2010: Bachelor in music (piano)** at the Royal Conservatory of Mons (Belgium)
- 2003 – 2005: Bachelor in psychology** at the University of Toulouse, le Mirail (France)
- 2002 – 2004: Bachelor in pedagogy** at the University of Toulouse, le Mirail (France)
- 1999 – 2003: Diplôme universitaire de musicothérapie** at University of Montpellier, Paul-Valéry (France)
- 1999: Baccalauréat** (scientific section) at lycée Foch, Rodez (France)

PROFESSIONAL EXPERIENCE

- 2019 – present: Senior Researcher (permanent position)**
Max Planck Institute for Empirical Aesthetics | Grüneburgweg, 14, 60 322 Frankfurt-am-Main (Germany)
- 2014 – 2019: Post-doc, Department of Neuroscience, Prof. Professor David Poeppel**
Max Planck Institute for Empirical Aesthetics | Grüneburgweg, 14, 60 322 Frankfurt-am-Main (Germany)
- 2015 (4 months): Post-doc associate, School of Communication, Prof. Marc Pell**
Neuropragmatic and Emotion Laboratory, McGill University, Montréal (Canada)
- 2013 – 2014 (6 months): Post-Doc associate, Department of Psychology, Prof. Peter Pfordresher**
APAL Laboratory at the University at Buffalo (USA)
- 2009 – 2014: Assistant at the Psychology Department, Voice therapy section**
University of Liège | B38-Rue de l'Aunaie, 30, 4000 Liège (Belgium)
- 2009 – 2011: Speech Therapist (Voice Specialty)**
Evaluation and rehabilitation of speaking/singing voice disorders
- 1999 – 2009: Music teacher and performer**
Practical music workshops, piano and solfeggio teaching

Wester, J. M., & **Larrouy-Maestri P.** (2024, July). Effect of syntax and semantics on the perception of "humanness" in speech. Poster presented at the Highlights in the Language Sciences (HILS) Conference, Nijmegen, the Netherlands.

Aydin, T. A., Wald-Fuhrmann, M., & **Larrouy-Maestri, P.** (2024, May) Direct comparison of sliders versus forced-choice response formats in music perception research. Poster presented at the Biennial Conference of the International Association of Empirical Aesthetics, Palma, Spain

Hołubowska, Z., Teng, X., **Larrouy-Maestri, P.** (2023, March). The effect of regularity on the behavioural and neural tracking of musical phrases. Poster presented at the 65th Annual meeting of the General Psychology section of the German Psychological Society (TeaP). Trier, Germany

Amin, Y., **Larrouy-Maestri, P.**, Ripollés, P., & Pelofi, C. (2022, November). Musical attention decoding. Society of Neuroscience (SFN). San Diego (online).

Bruder, C., & **Larrouy-Maestri, P.** (2022, September). Acoustic characteristics of contrasting singing styles. 38 Jahrestagung der Deutschen Gesellschaft für Musikpsychologie, Würzburg, Germany.

Fink, L., Hörster, M., Poeppel, D., Wald-Fuhrmann, M., & **Larrouy-Maestri, P.** (2022, April). Bonfire happiness or a scratchy affair?: Patterns in free labelling and categorization of percussive stimuli. Cognitive Neuroscience Society (CNS). San Francisco.

Hörster, M., Fink, L., Wald-Fuhrmann, M., Poeppel, D., & **Larrouy-Maestri, P.** (2021, November) Speech, music, or "raindrops on drums": Labels influence the categorization of sounds. Poster to be presented at the International Conference of Students of Systematic Musicology, Norway.

Wang, X., & **Larrouy-Maestri, P.** (2020, September). Singers are affected by the presence of their own performances when evaluating the pitch accuracy of their peers. Poster presented at the International Conference of Students of Systematic Musicology, York, England.

Holz, N., **Larrouy-Maestri, P.**, & Poeppel, D. (2020, May). Quantifying the sweet spot of emotional intensity in the perception of vocal affect. Poster presented at the Social and Affective Neuroscience Society, Virtual meeting, US.

Holz, N., **Larrouy-Maestri, P.**, & Poeppel, D. (2020, May 22-25). Inferring meaning from variably intense emotion expressions. Poster presented at the Cognitive Neuroscience Society, Virtual meeting, US.

Van Rijn, P., Michalareas, G., Poeppel, D., & **Larrouy-Maestri, P.** (2019, December). Emotional prosody: the role of pitch over time. Poster presented at the Rhythm in speech recognition (R3) workshop. Nijmegen, NL.

Holz, N., **Larrouy-Maestri, P.**, & Poeppel, D. (2019, May). Moans and screams – a newly validated corpus of affective vocalizations. Poster presented at the Social and Affective Neuroscience Society, Miami, US.

Holz, N., **Larrouy-Maestri, P.**, & Poeppel, D. (2019, March). Rethinking affective vocalizations. Poster presented at the Cognitive Neuroscience Society, San Francisco, US.

Roeske, T., **Larrouy-Maestri, P.**, Sakamoto, Y., & Poeppel, D. (2018, November). The rate of birdsong as a window into auditory aesthetic perception. Poster presented at the Society for Neuroscience, San Diego, US.

Larrouy-Maestri, P., Franz, S., Dalla Bella, S., & Poeppel, D. (2018, July). What sounds right? Categorization of correctness in music. Poster accepted at the 15th International Conference on Music Perception and Cognition

(ICMPC), 10th triennial conference of the European Society for the Cognitive Sciences of Music (ESCOM), Montreal, Canada.

Larrouy-Maestri, P., Franz, S., Bégel, V., Dalla Bella, S., & Poeppel, D. (2017, August). Perception of beat accuracy in music: Relative to the tempo? Poster presented at the Conference of the European Society for the Cognitive Sciences of Music (ESCOM), Ghent, Belgium

Larrouy-Maestri, P., Harrison, P.M.C., Walker, D., & Müllensiefen, D. (2017, August). A new test of the ability to detect mistuning in real music. Poster presented at the Conference of the European Society for the Cognitive Sciences of Music (ESCOM), Ghent, Belgium

Roeske, T., **Larrouy-Maestri, P.**, Sakamoto, Y., & Poeppel, D. (2017, July). Would you dance to birdsong? Poster presented at the Neuroscience and Music conference, Boston, US.

Merrill, J., & **Larrouy-Maestri, P.** (2016, Septembre). Zur Akzeptanz des Sprechgesangs in Schönbergs Pierrot lunaire [Schönberg's Pierrot lunaire revisited acceptance of vocal expression]. Poster presented at Akustik und Musikalische Hörwahrnehmung, Deutsche Gesellschaft für Musikpsychologie, Wien, Germany.

Fischinger, T., Kreutz, G., & **Larrouy-Maestri, P.** (2016, July). Solo vs. duet in different virtual rooms: On the consistency of singing quality across conditions. Poster presented at International Conference for Music Perception and Cognition, San Francisco.

Larrouy-Maestri, P., DeChristen, E., Kolinsky, R. (2015, August). Effects of music and language expertise on the implicit learning of musical and linguistic structures. Poster presented at 9th Triennial Conference of the European Society for the Cognitive Sciences, Manchester, UK.

Larrouy-Maestri, P. (2015, March). Evaluation of pitch accuracy in solfeggio examinations: What about non-musical variables. Poster presented at the First International Conference on Multimodal Experience in Music, Sheffield, UK.

Gosselin, L., Morsomme, D., & **Larrouy-Maestri, P.** (2014, October). Effets de l'expertise musicale sur la perception de la justesse vocale. Poster presented at the Journée de recherche clinique de la CPLU, University of Liège, Belgium

Larrouy-Maestri, P., Magis, D., Nowak, M., & Morsomme, D. (2014, May). Toward a Characterization of Western Operatic Singing Voices. Poster presented at the 43rd Annual Symposium of the Voice Foundation, Philadelphia, US.

Beeken, M., Morsomme, D., & **Larrouy-Maestri, P.** (2014, May). Influence of melodic context on the perception of vocal pitch accuracy. Poster presented at Belgium Association for Psychological Science Annual Meeting, Belgium.

Larrouy-Maestri, P., & Morsomme, D. (2013, August). The influence of subjective factors on the evaluation of singing voice accuracy. Poster presented at the 5th Annual Meeting & International Conference of AIRS, Advancing Interdisciplinary Research in Singing: Development, Education and Wellbeing, Toronto, Canada.

Larrouy-Maestri, P., Lévêque, Y., Schön, D., Giovanni, A., & Morsomme, D. (2012, July). A comparison between subjective and objective methods for evaluating the vocal accuracy of a popular song. Poster presented at the 12th International Conference on Music Perception and Cognition (ICMPC) and 8th Triennial Conference of the European Society for the Cognitive Sciences of Music (ESCOM), Thessaloniki, Greece.

Larrouy-Maestri, P., & Morsomme, D. (2012, May). Impact of performance anxiety on the accuracy of the singing voice among music students. Poster presented at the voice foundation's 41st Annual Symposium, Philadelphia, USA.

Larrouy-Maestri, P., & Morsomme, D. (2011, August). Effet de la technique vocale sur la justesse en voix chantée. Poster presented at the 9th Pan European Voice Conference, Marseille, France.

Larrouy-Maestri, P., Leybaert, J., & Kolinsky, R. (2010, August). Processing of linguistic and musical dimensions contained in songs: effects of an expertise. Poster presented at the 5th International Conference on the Physiology and Acoustics of Singing, Stockholm, Sweden.

Invited talks at universities or research centers

- **2025, November 20:** Vocal communication beyond the words. Invited talk at Centre for Advanced Research in Experimental and Applied Linguistics (ARiEAL). McMaster University, Hamilton
- **2025, May 8:** Mapping voice(s) and meaning(s). Invited talk at the BRAMS-CRBLM Lecture Series - Montreal University, Canada.
- **2025, March 5:** Making sense of voices. Keynote presented at the 36th Elektronische Sprachsignalverarbeitung (ESSV). Halle, Germany
- **2023, October 23:** Making sense of sounds. Invited talk at the BEAT lab at McMaster University, Hamilton, Canada.
- **2021, March 12:** The sound of intentions. Invited talk at the Max Planck-NYU Center for Language, Music, and Emotion, New York, Virtual meeting.
- **2021, February 2:** The perception of auditory sequences. Invited talk at the Public seminar series of the Psychology & Neuroscience of Cognition (PsyNCog), Faculty of Psychology, Logopédie, & Sciences de l'Éducation, University of Liège, Belgium, Virtual meeting.
- **2019, October 19:** Music and Perception. Symposium: The sound of science (organized by the CERFA), Dresden, Germany.
- **2019, April 1:** La voix : un bel instrument à la portée de tous. Invited talk at « Langues et musique, musique des langues : Quelles perspectives pour l'apprentissage ? (organized by the Haute Ecole Francisco Ferrer), Brussels, Belgium.
- **2018, July 26:** Lab Meeting BRAMS, invited by Simone Dalla Bella, Montreal, Canada.
- **2018, June 8-9:** Qui peut évaluer la justesse d'un chanteur? Invited talk at « 2^{ème} Rencontres de Phoniatrie », Paris, France.
- **2017, November 20:** Singing in the (b)rain. Invited talk at the Estonian Academy of Music and Theatre by the Estonian Musicological Society, Lechter lecture series, Tallinn, Estonia.
- **2017, May 17:** Does this sound right? On the perception of correctness in music. Invited talk at the Université Libre de Bruxelles (ULB), Center for Research in Cognition and Neurosciences, Brussels, Belgium.
- **2017, May 8:** Singing in the (b)rain. Invited talk at Deutsches Zentrum für Neurodegenerative Erkrankungen, DZNE (Music & Brain lecture series), Bonn, Germany.
- **2017, April 20:** Does this melody sound right? Invited talk at the Max Planck Institute for Human Cognitive and Brain Research, in the Otto Hahn Group « Neural Bases of Intonation in Speech and Music », Leipzig, Germany.
- **2017, April 11:** Est-ce que ça sonne bien? Invited talk at the IRCAM (Séminaire Recherche et Technologie), Paris, France.
- **2016, October 21:** From perception to evaluation of singing performances. Invited talk at the Voice Symposium, University of Liège, Belgium.
- **2016, May 30:** Melodic perception. Invited talk at the LeadNet Meeting organized by the Max-Planck Society (Workshop on Interdisciplinary Neurobiology in the Max Planck Society). Berlin, Germany.
- **2016, March 17:** In-tune versus out-of-tune: On the perception of pitch accuracy. Invited talk at BRAMS, International Laboratory for Brain, Music, and Sound Research at Montreal University, Montreal, Canada.
- **2016, March 11:** In-tune versus out-of-tune: On the process of accuracy perception in melodies. Invited talk at the Psychology Department at Ryerson University, Toronto, Canada.
- **2015, Novembre 12:** Do you sing in tune? Perception of pitch accuracy when listening to sung melodies. Invited talk at the Brain, Mind and Music (lecture serie), Goldsmiths University, London, UK.

- **2015, August:** Workshop on singing accuracy, listeners' tolerance, and pitch analysis. Workshop presented at the 5th Annual Meeting on Advancing Interdisciplinary Research in Singing, Nashville, US.
- **2014, October 31:** Stress and singing accuracy: What is the relationship? Invited talk at EVTA symposium, Belgium.
- **2014, June 28:** Workshop on pitch analysis for singing. Invited talk at Advancing Interdisciplinary Research in Singing: Development, Education and Wellbeing. AIRS symposium, Toronto, Canada.
- **2014, April 26:** Perception of melodic accuracy in occasional singers: role of pitch fluctuations? Invited talk at the Music Cognition Symposium, Rochester, USA
- **2014, March 28:** Definition of vocal pitch accuracy in a melodic context. Invited talk at BRAMS, International Laboratory for Brain, Music, and Sound Research at Montreal University, Montreal, Canada.
- **2014, March 03:** How do we perceive vocal pitch accuracy during singing? Psychology Department meeting, Buffalo, USA.
- **2014, January 15:** Evaluation of pitch accuracy: from occasional to operatic singers. Presentation at the Auditory Perception and Action Laboratory, Buffalo, NY, US.
- **2013, November 14:** Stress et voix: le cas de la justesse mélodique. Invited talk at the Université Catholique de Louvain-la-Neuve, Belgium.
- **2013, October 16:** Perception de la justesse en voix chantée. Invited talk at GIPSA-Lab, Grenoble, France.
- **2013, August 13:** Pitch analysis workshop. Invited talk at the 5th Annual Meeting of Advancing Interdisciplinary Research in Singing, Toronto, Canada.
- **2012, December 12:** La voix juste : la science au service du chant. Invited talk at ISAE: Institut Supérieur de l'Aéronautique et de l'Espace, Toulouse, France.
- **2011, November 17:** Critères et outils d'analyse de la justesse vocale. Invited talk at Ircam Forum, Paris, France.
- **2011, May 27:** Vocal accuracy in the singing voice. Presentation at BRAMS, International Laboratory for Brain, Music, and Sound Research at Montreal University, Montreal, Canada.

ON-GOING PROJECTS (SELECTION):

- Inferring meaning from vocalizations (PI)
- An interactionist approach to voice(s) perception (PI)
- Development of singing (PI)
- Singing Voice Preferences (PI: Camula Bruder, PhD candidate)
- Borders of "humanness" category (PI: Janniek Wester, PhD candidate)
- Definition of a "music" category (PI: T. Ata Aydin, PhD candidate)
- Neurophysiological tracking of musical structure (PI: Xiangbin Teng)
- Multi-voice perception (PI: Sarah Platte, project on choir conducting)

see www.aesthetics.mpg.de for details

AWARDS AND GRANTS

- **2023:** Research scholarship of €20,000 awarded to conduct the project "Humanity of Speech", by Imminent - Translated Research Center, in the category Human-Computer interaction.
- **2017:** Nominated and selected for "Sign Up! Careerbuilding for outstanding female post docs in the MPG"
- **2017:** Finalist at the Minerva Fast Track fellowship supported by the Max Planck Society.
- **2016:** Young Investigator Award from the Society for Education, Music, & Psychology Research (SEMPRE) and the International Conference for Music Perception and Cognition (ICMPC)
- **2015:** Merit Scholarship program for foreign students [Bourse d'excellence pour étudiants étrangers, PBEEE] from the Fonds de recherche du Québec – Nature et technologies (CA \$12,000).
- **2013:** Finalist at the competition "Ma these en 180s" [PhD thesis], University of Liège, Belgium
- **2013:** Patrimoine de l'Université de Liège and FNRS travel fundings for a research stay in US
- **2011:** Grant at the "Concours de bourses de voyage" from the French Community of Belgium.

TEACHING AND SUPERVISION

Co-taught (2010-2014)

University of Liège, section Speech Therapy, headed by Prof. Dominique Morsomme

[2010-2012: Additional pedagogic training for higher education from the Institut de Formation et de Recherche en Enseignement Supérieur (IFRES) on e-learning, mentoring, teaching skills]

- Perception and production de la parole [Perception and production of speech]: LOGO5001-1
- Techniques de rééducation des dysodies [Singing voice disorders rehabilitation]: LOGO0018-2
- Bilans de voix et techniques de rééducation des dysphonies [Speaking voice evaluation and rehabilitation]: LOGO0019-1
- Pratique de l'observation [Observation practice]: YSTG9017-1
- Séminaire d'accompagnement de stage [Rehabilitation practice development]: YSTG9029 -1

Co-supervision of doctoral thesis

[Note that the MPIEA is not a degree granting institute and requires external supervisors. I acted as the primary day-to-day supervisor]

- **Aydin T. Ata (2024 - ongoing).** Neural correlates of the "music" perceptual category
- **Wester Janniek (2023 - ongoing).** Borders of Humanness.
- **Bruder Camila (2018 - 2024).** Roots of singing voice preferences
- **Van Rijn Pol (2019 - 2022).** Mapping acoustic features to prosody perception.
- **Holz Natalie (2017 - 2021).** Neural correlates of affect perception in screams.

Supervision of master thesis (17 from 2011 to 2025)

Supervision of bachelor thesis (more than 20 from 2011 to 2025)

Research assistants and interns at the MPI (12 from 2014 to 2025)
